WHO WE ARE

Founded in **1993**, Banjara has a deep-rooted presence in the Indian Himalayas when it comes to hospitality and adventure. Through our experiences we hope to share the same spirit of adventure & exploration with everyone and also bring the best of adventure and hospitality together in doing so.

We gather at Kullu and check into a comfortable accommodation to shake off the pain of the long travel. Rest your tired bodies and prepare for the long, bumpy and adventurous road that will take you to Kaza in Spiti the next day.

Today is the day when we finally hit the road to Spiti. Numerous stream crossings, mud & rocks to go over, glacial views and the 4580-metre-high Kunzum La, this 7-hour drive will have it all. At the day's end we'll be at Kaza. Spend the evening exploring the lanes and few cafes we have around.

DRIVE KULLU TO KAZA

We'll need to get our trekking permits from the SDM office in Kaza. It might be a formality but it still is necessary paperwork that needs to be completed for us to be able to embark on this trek. Once that is done, we'll do some sightseeing and eventually head back to Kaza for the night.

ACCLIMATISE AND PAPERWORK

We will first be heading to one of the most iconic sights of Spiti, the Ki Monastery. From there we will continue on towards Kibber and Chicham villages over the latest man-made highlight in Spiti, the Chicham bridge (built over a Deep gorge between the 2 villages).

This is also the place from where our trek to Kanamo will begin.

KAZA TO CHICHAM

25 km / 1 hrs

Today we embark on a trek to a hidden cave atop a hill next to Chicham.

Besides the significant archaeological value, this very rewarding hike will give you the sense of going back in time and make you imagine living the cave man life.

HIKE TO CHICHAM CAVES

After 3 days of driving and soaking in the Himalayan views it's now time for you to lace up your hiking shoes and get ready to walk your first trail from Chicham to Base Camp.

The trek from Chicham to Kanamo Base Camp is an ascent for about 4 hours, winding through the bushy and desolate slopes behind Kibber.

KANAMO BASE CAMP

We start before sunrise and begin our summit attempt. We conquer two steep inclines today.

You can see both Pin Parvati Pass & Parang La as well as the complete Kinnaur range.

After celebrating a successful ascent and the energy that comes with it, we descend all the way back to civilisation at Chicham village.

From Chicham we move towards the breathtaking Chandratal Lake! On the way we cross Kunzum La Pass (4590 m). Chandratal Lake in Spiti Valley is considered to be one of the most beautiful lakes in Himachal Pradesh.
